

Discover YOUTHFUL RENEWAL

Saba's TranZform Body Wraps and Body Cream give you the power of renewing your youthful glow and appearance. Turn back the clock and rediscover your skin's natural beauty.

This product is infused with a powerful synergistic blend of over 35 different nourishing ingredients to reduce the appearance of cellulite and stretch marks, while contouring in problem areas. Apply to your thighs, stomach, arms, neck or waist and watch as your skin is tightened and smoothed for a youthful look.

Directions: For best results follow these steps.

1. Choose the area where you will apply Saba TranZform body wrap applicator.
2. Wash and dry the area thoroughly.
3. Open the internal pouch containing one applicator. Unfold the applicator and apply the lotion side of the applicator to the skin.
4. Smooth out applicator, ensuring good contact to skin.
5. To secure the applicator into place, use plastic or saran wrap and wrap the area securely.
6. Wear the applicator for a minimum of 45 minutes. If it is the first time, do not exceed 30 minutes to test your skin's sensitivity to the ingredients.
7. Remove applicator and discard. Saba TranZform body wrap applicators are only to be used once.

Frequency of Use: Use one Saba Tranzform body wrap applicator every 72 hours. For best result, apply Saba Tranzform body cream daily between applicator use. Best if used immediately after opening pouch.

Warning: For external use only. Avoid contact with eyes. If contact occurs, rinse eyes with water immediately. If irritation occurs, or redness persists, discontinue use and consult a physician immediately. Do not use Saba Tranzform Body Wrap over a preexisting sun burn or rash. Keep out of reach of children. All Saba products are recommended only for adults 18 years of age or older.

Consult your physician prior to consumption in any doubt, illness or when taking medication. Do not use if packaging has been tampered with. Keep out of reach of children.

Storage: We recommend that you store your Saba Tranzform body wrap horizontally in a cold, dry place.

Saba cosmetic products are purely cosmetic in nature and do not claim to cure/treat/prevent any skin and hair related disorders. If you are allergic to any ingredients listed, or are under treatment or on medication for your skin, please consult with your physician prior to use.
