SUPPORTED BY SCIENCE†

Saba Empower™ is a new and effective formula that supports all your energy, appetite control and healthy weight loss needs with patented and clinically studied ingredients. LeanGard® weight loss technology and Caralluma fimbriata work to help control your hunger while caffeine and B vitamins extend the energy curve. This formula can help you achieve results so you feel ultra-premium all day. This product is for anyone interested in managing their weight, increasing energy and improving their overall well-being. Saba Empower™ enhances energy production and helps you feel more alert, focused and energetic without performance plateaus – so you enjoy a smooth lift and no crash.†

INGREDIENTS YOU CAN TRUST

Saba Empower™ is a Natural Weight Loss and Fat Burner that includes only clinically studied natural and powerful herbs, vitamins, minerals and caffeine that have been shown to help suppress appetite, aid in weight loss, give you more energy, and increase your metabolic rate. On top of that, you'll be feeling happier and more confident with these scientifically proven ingredients that can help to boost your mood, improve your focus, enhance your motivation and increase your endurance.†

KEY BENEFITS

- FAT LOSS†
- WEIGHT LOSS†
- FATIGUE RELIEF†
- APPETITE CONTROL†
- SUPERIOR ENERGY†
- HEALTHY BODY COMPOSITION†
- IMPROVED COGNITION†
- NO CRASH†
- FAST ACTING†
- ENHANCED FOCUS†
- BETTER CONCENTRATION†

WHAT IS LEANGARD® WEIGHT LOSS TECHNOLOGY?

LeanGard® is a proprietary blend of natural extracts that supports healthy body composition and weight management. The constituents of LeanGard are ForsLean® (a patented natural extract from the roots of Coleus forskohlii (standardized to contain 10% forskolin), GarCitrin® (a natural extract from Garcinia cambogia fruit containing hydroxycitric acid and garcinol), and BioPerine® (a natural extract from black pepper fruit, a bioavailability enhancer).

MECHANISM

- **ForsLean®:** Forskolin helps build lean body mass and maintain healthy body composition
- **GarCitrin®:** Hydroxycitric acid in combination with garcinol supports satiety
- **BioPerine®:** Enhances uptake and utilization of the natural actives

HOW LEANGARD® WORKS

LeanGard® has an advanced spectrum of natural ingredients synergized to support satiety, lean body mass and a healthy body composition with the impact on healthy body weight. Composed of ForsLean®, GarCitrin® and bioavailability enhancer BioPerine®, the composite has been clinically evaluated for its safe and effective role in ideal weight management.

RESULTS FROM A RANDOMIZED, DOUBLE-BLIND, PLACEBO-CONTROLLED STUDY ON LEANGARD®:

WHAT IS CARALLUMA FIMBRIATA?

Caralluma fimbriata is a cactus-like plant that grows naturally in India, the Middle East, and North Africa. For centuries, civilizations have used Caralluma fimbriata as a powerful appetite suppressant. In ancient India, tribesmen would often pack a few sprigs of Caralluma fimbriata to sustain themselves on a multi-day hunt. They called this plant "famine food" due to its powerful ability to suppress hunger while enhancing stamina.

How Does Caralluma Fimbriata Suppress Appetite?

Caralluma fimbriata suppresses your appetite by targeting the hypothalamus.

Here's How It Works:

- 1) Your hypothalamus sends signals to your brain telling your brain that you need to eat.
- 2) After you've eaten, the hypothalamus sends signals to your brain that you've eaten a sufficient amount, and you're ready to stop eating.
- 3) Caralluma fimbriata intercepts signals going to and from the hypothalamus, which disrupts your natural hunger/fullness cycle and makes you feel less hungry.

These three-steps may help anyone eat less.†

CAFFEINE

Caffeine has been clinically proven to ward off drowsiness, decrease fatigue, increase alertness, and improve one's mood. Each Saba Empower™ capsule contains 150mg of caffeine, or about as much as a cup of coffee.†

BETA-PHENYLETHYLAMINE HCL (PEA)

It is a substance found naturally in chocolate and is found naturally in the body. It supports and promotes the feeling of fullness and satisfaction. It stimulates neurotransmitters by releasing dopamine, improves mood, depression, and increase alertness, focus and concentration.†

B VITAMINS & FOLIC ACID

Your body needs B vitamins to convert carbohydrates into cellular energy (ATP). With a healthy dose of B6, B12 and Folic Acid, Saba Empower™ provides the fuel for efficient energy conversion.†

COMPOSITION		%DRI*
Vitamin B6 (as Pyridoxine HCL)	1,1 mg	100%
Vitamin B12 (as Methylcobalamin)	2,5 ug	100%
Folate(as Pteroylmonglutamic acid)	200 ug	100%
Caffeine	300 mg	**
LeanGard® extract blend of Coleus forskohlii, Garcinia cambogia, Piper nigrum	1000 mg	**
Whereof:		
Hydroxy Citrate Acid (HCA)	250 mg	**
Forskolin	40 mg	**
Garcinol	20 mg	**
Piperine	3 mg	**
Caralluma fimbriata (whole plant) extract	100 mg	**
Beta-phenylethylamine HCL (PEA)	30 mg	**

*Daily reference Intake **No DRI Value Established

INGREDIENTS: Extract blend of LeanGard® (Coleus forskohlii, Garcinia cambogia, Piper nigrum), Caffeine, Caralluma fimbriata (whole plant) extract, Beta-phenylethylamine HCL (PEA), Vitamin B6 (as Pyridoxine HCL), Vitamin B12 (as Methylcobalamin), Folate (as Pteroylmonglutamic acid)

RECOMMENDED DAILY PORTION: Adult take one capsule in the morning and one capsule early afternoon 10 to 15 minutes after a meal. Do not take after 4 pm as the product might cause restlessness. Drink plenty of water throughout the day. The recommended daily dose should not be exceeded.

Supplements should not be used as a substitute for a varied diet or a healthy lifestyle. Keep out of reach of young children. Not recommended for children or pregnant or breast-feeding women.

CAUTIONS: Consult your doctor before use in case of doubt, illness or use of medications. In particular do not take if you are using medications such as sleeping pills, stimulant medications, allergy medications and medications for high blood pressure or other cardiovascular disorders. Stop using if you have dizziness, headache, nausea, cold sweats, fever or palpitations. Do not use if pregnant, nursing, or if packaging has been tampered with. You are recommended not to exceed an intake of 400 mg caffeine per day from all sources.
