PILLAR OF YOUTH®

PHYTOCANNABINOIDS
FULL-SPECTRUM BLEND
PROMOTES OPTIMAL WELLNESS†

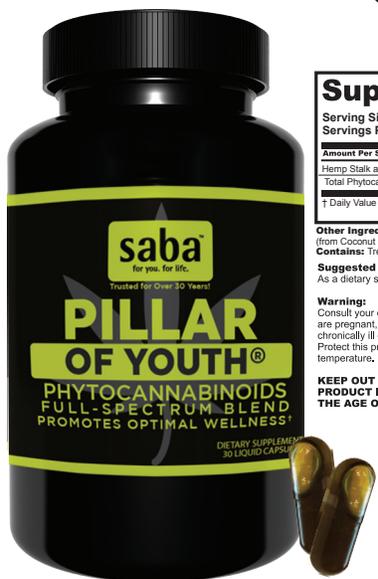

WE'VE DONE OUR RESEARCH!

Saba Pillar of Youth® is formulated with Full-Spectrum Phytocannabinoids from the whole hemp plant to support the Endocannabinoid System and promote optimal wellness. While the body produces its own cannabinoids, a supplementary addition of exogenous cannabinoids like Saba Pillar of Youth®, hemp can help prevent deficiency of Endocannabinoids and achieve balance in the body to promote optimal health.

Each of our Saba Pillar of Youth® liquid capsules contains 15mg of phytocannabinoids that go beyond regular CBD products. Our comprehensive formula includes full-spectrum hemp phytocannabinoids that target multiple receptors throughout the body to maintain homeostasis and deliver numerous health benefits in a natural way.

Each serving reduces temporary inflammation[†], promotes calmness[†] and relaxation[†], and recharges your body so you can take on the day, feeling and performing your best.[†]
